2 Hunters, 4 Days

Hunt with your buddy for pronghorn antelope in South Dakota with long-time ACSCI friend, John Coulter. Fly into Rapid City, SD Airport and John will guide you from there. John will be your guide for the four days. Not included are all meals, lodging and transportation expenses and license that you will need while on the hunt. You will also be required to cover your guides expenses of meals, lodging and transportation. John claims the hotel and meal expenses in that part of South Dakota are really reasonable.

“In The Thorns” by Wayne Grant – Wayne has donated a hunt here tonight!

Minnesota, USA

1 Hunter, 3 Days

3 day shotgun or black powder hunt for Whitetail Deer, Nov. 12-14th 2010 in Minnesota. This is a semi-guided hunt that includes stands, guide and lodging. There is no trophy prep or food included. License is additional. Additional hunters will receive a discount. A group of 4 SCI members will receive \$500 discount per hunter excluding the donated hunt. This hunt takes place in the Mississippi Bluff region of Minnesota. It provides excellent opportunity at harvesting trophy class bucks. To maintain quality hunts each year we have implemented a strict policy of harvesting trophy bucks. A minimum gross score of 135" pope & young in antler size is the standard that has been set. For more information please see the website below.
