### **1 Hunter, 10 Days**

A ten day float hunt for brown bear in predator control unit 16b. Upon landing at the upper reaches of the glacial river we will begin our float out, stopping to hunt the confluences of the clear water tributaries. We will be using vantage points and natural cover ground blinds as hunting methods. Black Bear and wolf are also available on this hunt. Not included is an \$800.00 air charter, a second brown bear can be taken for a trophy fee of \$4000.00 and the cost of the second tag. Tags are \$500.00 each and license is \$85.00. Hunt may be taken August 10-October 10, 2010 or 2011. Fly into Anchorage to start this adventure, then transfer to a charter that will take you up river. Camp will be truly that...camping along the river bank at night. Additional days are available at \$350 per day. This is sure to be a fantastic hunt!
